Edelweiss Tokio Life – Wealth Accumulation (Accelerated Cover) | [Unit Linked Insurance Plan]

IN THIS POLICY, INVESTMENT RISK IN INVESTMENT PORTFOLIO IS BORNE BY THE POLICYHOLDER.

Edelweiss Tokio Life - Wealth Accumulation (Accelerated Cover)

Unit Linked Insurance Plan

7 REASONS

1

Tailor made solution to match your wealth accumulation needs.

2

Both Asset Allocation and Stock Selection support provided through new-age P/E based fund and Managed Fund.

3

Facility to switch your accumulated investment from one fund to another at the opportune time. You can also choose to redirect your future premiums in funds of your choice.

4

Top-Up facility to enhance your investments resulting in higher accumulated fund value.

5

Access to your wealth any time you require, through facilities like loans and partial withdrawals.

6

Choose to pay premiums for limited period yet enjoy the wealth accumulation and insurance protection over a longer policy term.

7

Benign charge structure ensures better accumulated benefits and competitive reduction in yield.

The Linked Insurance Products do not offer any liquidity during the first five years of the contract. The policyholder will not be able to surrender/withdraw the monies invested in Linked Insurance Products completely or partially till the end of the fifth year.

6 Simple Steps to choose your plan

Step 1

Decide on Wealth Accumulation need

Based on your discussion with our Personal Financial Advisor, decide on your wealth accumulation need and choose an appropriate premium.

Step 2

Choose the Policy Term (PT)

Based on the period after which you may require your accumulated wealth choose your policy term. Policy Term is the period during which you get the benefits of life insurance protection along with wealth accumulation.

Step 3

Decide on the Premium Paying Term and frequency of payment

Based on your income stability and comfort choose between the various premium paying term options and the frequency of payment (Monthly / Half Yearly / Quarterly/ Annually).

Step 4

Decide on the Sum Assured depending on your protection need

The benefit payable in case of premature death is:
Higher of Fund Value (including top-up fund value) or Sum Assured (including top-up sum assured) less all partial withdrawals, subject to minimum death benefit of 105% of total premiums including top-ups paid till the date of death.

Where,

Sum Assured is the guaranteed amount payable in case of unfortunate death of the Life Assured.

Fund Value is the accumulated wealth as given by the value of all your units based on the current NAV (where NAV is the value of one unit of fund on a given day).

Step 5

Decide on the Funds you want to invest in

Based on your risk appetite and willingness to manage your wealth, choose the funds that you want to invest in.

You have the flexibility to switch between the available funds should your requirements change in the future.

You can also choose to redirect your future premiums in different funds keeping the current allocation same as before.

Step 6

Free look period

The policy holder has a period of 15 days from the date of the receipt of the policy document to review the terms and conditions of the policy and where the policyholder disagrees to any of the terms and conditions, policy holder has an option to return the policy stating the reasons for objection, in which case policy holder shall be entitled to a refund of the amount as follows:

Fund Value at the date of cancellation.

plus (non allocated premium plus charges levied by cancellation of units).

less (Stamp duty + proportionate risk premium for the period on cover + medical expenses if any).

You can avail tax benefits under Section 80C and Section 10 (10D) of Income Tax Act, 1961.
Tax benefits are subject to change in the tax laws.

In this policy, Investment risk in investment portfolio is borne by the policyholder.

OTHER FACILITIES AVAILABLE

Switching Facility

- If you want to move a part or full of your accumulated wealth from one fund to another then you can use the switching facility.
- This facility will be available at any point of time for all policies
- Minimum switch amount is Rs 5,000/-
- There are no restrictions on the number of switches during a particular policy year or during entire policy term.
- However first four switches in a policy year are free. A charge of Rs. 100/- per switch is applicable beyond the free switches. The switching charges are recovered by deducting Rs.100/- from the switch amount.
- Free switch not used during any policy year cannot be carried forward to the next policy year.

Premium Redirection Facility

- Your incoming premium will be allocated to various funds in proportion to your existing allocation at that point in time. However if you wish to change the allocation percentages to different funds for all the future premiums and future top-up premiums then the premium redirection facility can be used.
- The redirection will not affect the existing units which are already allocated to different funds.
- By default, new allocation percentage will be applicable to all future premiums and Top Ups.
- You need to give a notice in writing to the Company two weeks prior to the receipt of the relevant premium.
- Two free premium redirections are allowed in a policy year.
- A charge of Rs. 100/- per redirection is applicable beyond the free redirections. The charges are recovered by deducting Rs.100/- by cancellation of units.

Partial Withdrawal Facility

- You may withdraw a part of your fund value as per your liquidity requirements at any time after completion of five policy years.
- Minimum Partial withdrawal: Rs. 5,000 per withdrawal (in multiple of Rs. 1,000)
- Maximum Partial withdrawal: Fund value in excess of 105% of total premiums (including top –up premium) paid till date of partial withdrawal.
- Two free partial withdrawals are allowed in a policy year.
- A charge of Rs. 200/- per withdrawal in excess of free partial withdrawal will be charged. The partial withdrawal charges will be recovered by deducting Rs 200/-from the partial withdrawal amount.
- There is no carry forward of free unused partial withdrawal to the next policy year.
- Partial withdrawals must be made first from the qualifying Top-Up Account. There is a lock-in period of five years for each top up premium from the date of payment of that top up premium for the purpose of partial withdrawals.

Loan Facility

Not available

Settlement Facility

- On intimation to the company 2 months prior to the maturity date, you may opt to collect your maturity proceeds in instalments. . The term of the Settlement Option could be 2/3/4/5 years as may be your preference.

Term of Settlement Option	Proportion of Fund Value (FV) available at the time of each payment (beginning of each payment year)				
	Yr1	Yr2	Yr3	Yr4	Yr5
2yrs	1/2	1	-	-	-
3yrs	1/3	1/2	1	-	-
4yrs	1/4	1/3	1/2	1	-
5yrs	1/5	1/4	1/3	1/2	1

- The fund value will remain invested in the existing funds. During the settlement period, the investment risk in the investment portfolio is borne by the policyholder. At any point of time, the Policyholder can ask for full payment of balance Fund Value, without any charges.
- In case of death during settlement period: Balance Fund Value is payable to the nominee/ legal heir.
- Payments will be made in the form of yearly, half-yearly, quarterly or monthly instalments, as chosen by the policyholder. Half-yearly, Quarterly and Monthly modes are available only through ECS credit.
- The redemption of units from each fund will be based on the percentage of that fund to the total fund value as on the date of payment.
- No charges except FMC will be deducted.
- Partial withdrawals are not allowed during this time.
- Switches are not allowed.

Change in Premium Paying Term

- You can change your premium paying term at any time subject to the premium paying terms allowed under the product, provided all due regular premium till the date of such request are paid.
- Such option can be exercised while the policy is in-force and before the expiry of the existing premium paying term.

Change in Sum Assured (SA)

- This option is available at each policy anniversary date starting from the 6th policy year, subject to 2 months prior notice, provided the policy is in-force. This option is subject to underwriting approval and issuance of written communication.
- This option may be exercised maximum 3 times during the policy life.
- Any change in sum assured is allowed within the product limits mentioned above.
- The mortality charges will be recovered prospectively as per new sum at risk.

Increase in SA:

- This option is not allowed after Life Assured has attained the age of 50 years (last birthday).
- Underwriting (including medical if required) would be done as per the prevailing underwriting norms.
- Cost of medical examination and tests will be borne by the Life Assured.
- Increase in SA will not change basic regular premium.
- Increase will not be allowed if the policyholder has already exercised the option to decrease SA.

Decrease in SA:

- This option can be exercised by all policy holders without any restriction on age attained at the time of exercising the option.
- Decrease in SA will not change basic regular premium.
- SA once decreased cannot be increased in future.

Suicide Claim provisions:

If the Life Assured, whether sane or insane, commits suicide, within one year from the date of issuance or date of revival, then the policy shall be void. In such event, the Fund Value as on the date of death shall be payable and all benefits under the policy will cease. If the Life Assured, whether sane or insane, commits suicide within one year from the effective date of increase in Sum Assured (including sum assured increase for top-up premiums), then the amount of increase shall not be considered in the calculation of the death benefit.

Any charges deducted subsequent to the date of death will be paid-back to nominee or beneficiary along with death benefit.

Grace period for non-forfeiture provisions:

For Yearly, Half yearly, Quarterly premium mode: 30 days

For Monthly premium mode: 15 days

Nomination requirements and Assignment

Nomination: In case the policyholder is also the life assured, nomination can be made at any time before the maturity or termination date of the policy. The nominee/s shall be a person/s nominated by the member in accordance with the provisions of section (39) of the Insurance Act 1938 to receive the benefits under the scheme in the event of his/her death.

Assignment: Assignment is allowed. Assignee/s shall be a person/s to whom the policy is assigned by the policyholder in accordance with the provision of section (38) of the Insurance Act 1938 to transfer all the equities and liabilities to which policy holder was subject at the date of assignment.

Revival: The policy may be revived within two years from the date of discontinuance. The revival will be considered on receipt of written application from the policyholder along with the proof of continued insurability of life assured and on payment of all overdue premiums.

The proof of continued insurability and medical examination if required (medical examination cost to be borne by the policyholder) and the results thereof would be interpreted and if the life is acceptable from the underwriting point of view then it will be allowed to revive.

On exercising the option to revive the Policy, the policy will be brought back into force and we would:

- a) Collect all due and unpaid premiums without charging any interest or fee.
- b) The Discontinuance Fund as on date of revival (subject to minimum guaranteed interest rate applicable to the discontinued fund as declared by the Authority from time to time) will be transferred to the chosen fund(s).
- c) Levy policy administration charge and premium allocation charge as applicable during the discontinuance period. No other charges shall be levied.
- d) Will add back the discontinuance charges deducted at the time of discontinuance of the policy.

Foreclosure: If, after five (5) policy years, the fund value becomes insufficient to deduct all applicable charges under the policy, then the policy shall be foreclosed and the fund value as on date of such foreclosure will be paid immediately.

Forfeiture Conditions are given below: Any insurance effected hereunder shall be rendered null and void ab-initio and surrender value, if any shall be payable, if any conditions herein mentioned, or any endorsements made or any variations evidenced by exchange of documents hereto are contravened; was inaccurate, or false, or not made in good faith, or any material matter or fact was suppressed, then, and in every such case (but subject to the provisions of Section 45 of the Insurance Act, 1938), and all claims to any benefit under this Policy shall cease, excepting in so far as whatever relief may be granted as per the law.

Prohibition of Rebate: (SECTION 41 OF INSURANCE ACT 1938) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy nor shall any person taking out or renewing or continuing a policy accept any rebate except one such rebate as may be allowed in accordance with the published prospectus or tables of the Insurer. Any person making default in complying with the provisions of this section shall be punishable with a fine which may extend to five hundred rupees.

Non Disclosure Clause: (SECTION 45 OF INSURANCE ACT 1938) No policy of life insurance shall after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that statement made in the proposal for insurance or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was inaccurate or false, unless the insurer shows that such statement was on a material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the policyholder and that the policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose. Provided that nothing in this Section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life insured was incorrectly stated in the proposal.

Service Tax: As per Service Tax law, service tax will be levied on the policy holder.
